6 The recommendation gives effect to amendments to Regs 5 of 1915 and 1916 being framed so as to permit Officers of Co-operative Dept taking an active part in the management of "special" type of Societies, such as (1) Depressed classes Societies, (2) Industrial Societies. The Regs may be relaxed only to this extent I don't see how "Stores" Societies are special Societies.

7 It is not possible to say what led to the existing restriction as the file is not available.

The rule may be relaxed in the case of Societies in which (absolutely required) external help for scripture and account work owing to the absence of members competent to do such work. A general relaxation appears inexpedient, as the rule itself is sound in policy, and exceptions can only justify on the ground of absolute necessity

OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE.

REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE,

GEN. & REV. SECTION
DEVELOPMENT BRANCH.

To

N.Rama Rao, Esq.,B.A.,B.L.,
Secretary to Government of Mysore,
Development Departments, Bangalore.

Sir,

I have the honour to invite your reference to Government Orders Nos.2048-9/A & I.159-14-4 and 3232-80/A & I.159-14-5 dated 10-11-1915 and 7-1-1916 respectively precluding the Officers of the Co-operative Department from taking any active part in the management of Co-operative Societies, I have the honour to state that the restriction placed therein works as a hardship in the case of special types of societies, such as the Depressed Class Societies, Industrial Societies, Stores Societies etc.

The members of Depressed Class Societies are mostly illiterate and are unable to manage their societies. For this reason, Government have, in their Order No.6287-8/C.S.81-26-4 dated 4th February 1927, sanctioned 4 Assistant Inspectors for the charge of these societies and they are required to write up the account books of the societies and act as Secretaries for convening meetings and conducting all their business. Each Inspector is in charge of only 10 to 15 societies situated in a radius of 6 or 7 miles and has to do all the work necessary for the amelioration of the depressed classes Similarly, some of the Industrial societies also require constant guidance and supervision which will be possible only when the Officers of the Department are on the Committee of Management. With a view to ensure the proper working of special types of societies, I request that the restrictions laid down in the Government Orders under reference may kindly be removed and the Officers of the

the Department permitted to take an active part in the management of such societies.

I have the honour to be,
Sir,
Your most obedient servant,

J H Ramsay
Registrar.
